YOU ARE WHAT YOU BREATHE

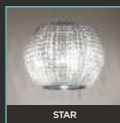

It's truly Italian when stunning design meets exceptional performance.

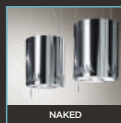

At Elica, innovation is the heart and soul of everything we do which is why all our products don't just look gorgeous but our path-breaking technology also ensures that their performance is par excellence. Over the years Elica has given the world the finest and most advanced kitchen chimneys and that is what makes us the global market leader.

Established in 1970, today Elica group is the worlds largest producer of kitchen chimneys /hoods.
